Bromelkamp Company Announces New Board Member and President & CEO Search

Minneapolis, MN, October 10, 2019 -- Bromelkamp Company LLC is pleased to announce the addition of a new Board member, Matt Van Dyke. Van Dyke, former Director of Product Development at Bromelkamp Company, is currently IT Relationship Manager, Dynamics 365 for Customer Engagement for CHS Inc. He shares the mission of Bromelkamp Company which is to provide integrated software solutions that are flexible and that grow with ever-changing client needs. In addition, the Board is focused on a realignment and scaling for future innovation and delivery of the company's rapidly growing product and service offerings. The Board welcomes the diversity that Van Dyke adds to the company's leadership.

"We are pleased to welcome Matt as a new independent director to Bromelkamp's Board of Directors and especially value the constructive discussions we have had with him," said Karen Bromelkamp, Interim President. Bromelkamp Company's Board regularly meets to evaluate progress toward company goals and provides strategy as well as resources for company sustainability and growth.

Bromelkamp's other independent director is Mike Bromelkamp, who together with Jeff Nelson, represent the interests of Bromelkamp Company's founder and shareholder, Henry A. Bromelkamp. Henry is stepping down as the President and director of the Company to become Emeritus President. The Board has launched an aggressive search to identify the Company's next President & CEO and will consider internal and external candidates. For more information on the search visit our [website](#).

"Henry built a solid foundation for our company and his vision will carry forward as we help others find success," said Karen Bromelkamp. "We remain focused on providing exceptional service to our clients and bringing innovations so our clients can focus on what they do best."

About Matt Van Dyke

Matt Van Dyke's vast experience includes a consultative vision, leadership, and a unique combination of communication skills which compliment his technical aptitude. He has employed his unique skills at global companies including CHS, Inc., HCL Power-Objects, Wipfli LLP and Bromelkamp Company LLC. Previously, Van Dyke worked at Bromelkamp's Microsoft Partner, HCL PowerObjects, leading a North American Delivery team of 350+ consultants that delivers Microsoft Business Applications solutions to hundreds of companies big and small. His connections with Microsoft and HCL PowerObjects and his long history with Bromelkamp company provide a valuable strategic perspective for Bromelkamp growth and innovation. Van Dyke has a Bachelor of Arts in Communication, University of Wisconsin in Madison; Master Certificate in IT Project Management/Business Analysis, Villanova University; and is a Certified Change Management Practitioner, Prosci (ADKAR Method).
